San Isidro Norte • Sto. Tomas, 4234 • uriarteanylfelboe@gmail.com • 09562576316

## EDUCATION

---

<b>Polytechnic University of the Philippines</b>	Sto. Tomas, Batangas
Bachelor of Science - Information Technology	August
Focus in full-stack software development & AI development	
<b>Academic Honors</b>	
• Dean's List	2023
• President's List	2024
• President's List	2025

## TECHNICAL SKILLS

---

**Language:** PHP, Javascript, SQL, HTML/CSS, Java, C++, C, Python

**Professional skills:** Problem solving, teamwork, communication, time management, adaptability, basic UI/UX design.

**AI & Machine Learning Exposure:** Basic experience with machine learning model training in Python using Jupyter Notebook, Pandas, NumPy, and PyTorch, Familiarity with AI-assisted technologies.

**Tools:** VS code, MySQL , Git/GitHub, Figma, Jupyter Notebook, Anaconda Navigator, OpenAI, Claude, GitHub Copilot

## ACADEMIC PROJECTS

---

### Easechedemy: Web-Based Class Scheduling System

- Developed a modular full-stack web application with integrated front-end and back-end components.
- Implemented automated scheduling using a greedy algorithm and batch processing for timetable generation.
- Collaborated with and guided a development team to build update features and maintain consistent system functionality.

### CNN-Based Image Classification Project

- Built and trained a convolutional neural network (CNN) for image classification using Python and PyTorch
- Applied AdamW optimizer and trained the model on a dataset of approximately 1000 images
- Evaluated model performance and tuned hyperparameters to improve classification accuracy

## CERTIFICATIONS

---

No-Code DIY Data Pipelines for Non-Data Folks	2026
From Algorithms to Intelligence: Your Journey into Artificial Intelligence & Machine Learning	2025
Salesforce Supported Virtual Internship Program	2025
ComSoc Co-Meet-IT Workshop	2024
Tech Nexus 2024: Empowering Campus Innovators	2024

## ORGANIZATIONS

---

Computer Society	2025 - Present
Google Developer Student Club	2023 - 2024
